MASTER PLUMBERS' SAFETY

A CLOUD-BASED WORKPLACE HEALTH AND SAFETY (WHS) MANAGEMENT SYSTEM DESIGNED TO PROVIDE MEMBERS WITH A CLEAR, QUICK, AND COMPLIANT SYSTEM TO MANAGE WHS IN THEIR BUSINESSES.

**PERSONALISED SWMS
IN 5 MINUTES**

**MANAGE WHS ON THE
GO, ON SITE, AND ON
YOUR PHONE**

**WHS TEMPLATES AND
INFO SHEETS**

**SAVE UP TO \$1,428 A
YEAR - INCLUDED IN
YOUR MEMBERSHIP**

WHY USE THIS SYSTEM?

The complexity of managing health and safety obligations is an ongoing frustration for small businesses, especially in hazardous industries like plumbing, drainage and gas fitting where risks are more pronounced and there are greater safety obligations on employers. Complying with Australia's strict WHS laws is a must – failing to do so could mean huge penalties and in extreme cases, jail.

To cut through this complexity, we are offering members a simple system to manage their health and safety obligations, particularly in relation to the creation of Safe Work Method Statements (SWMS), which can be created in less than five minutes through the Safety platform.

NO COST TO MEMBERS

Master Plumbers' Safety comes at no additional cost to members. Non-members can purchase a subscription starting from \$44/month.
